Invisible by Martina Wolter-Kampmann

Unsichtbar

Invisible- hidden starts and finishes in bobbin lace. Text in English and German. This instruction manual teaches you ways of starting and finishing bobbin lace which are invisible, and not only from the front. Even on the back of the lace you can avoid those annoying knots. In this book a variety of ways of finishing table runners, pictures and mats are shown and explained, but also the most invisible finishes for different specific kinds of lace. 191 pages + DVD. ATTENTION!
